

International Collaborative Graduate Program (ICGP)
on Civil and Environmental Engineering

**JASSO Student Exchange Program in F2014
between Thammasat University and Saitama University**

25 February - 6 March 2015

List of Participants from Saitama University

Faculties	Students
Prof. Masato SAITOH Assist. Prof. Aya KOJIMA	KOICHI IMURA (Transportation & Planning Group) KAITO SATO (Earthquake Disaster Prevention & Mitigation Group) MURANO KOHKI (Structural Engineering, Mechanics and Materials Group) TAKUYA NIWA (Transportation & Planning Group)

Schedules

25 February 2015

Transportation from Haneda to Bangkok

26 February 2015

Bangkok to Chiang Rai

Cultural Visit: Wat Jadeeloung and Pradhat Chomkitti in the northern part of Chiang Rai; Golden Triangle: the border areas among Thailand, Myammer, and Laos.

27 February 2015

Field Survey: Damage area due to 2014 Mae Lao Earthquake
Udomwaree Temple, Hospital, and Schools in Phan & Mae Lao Districts

28 February 2015

Field Survey: Damaged area due to 2014 Mae Lao Earthquake
Landslide Site on Highway 118, Rock-fill Dam in Mae Suai District in Chiang Rai Province
Chiaig Rai to Chiang Mai

1 March 2015

Field Survey: Wiang Kum Kam influenced by frequent floods in aient years

2 March 2015

Cultural Visit: Tourist Industories
Mae Sa Elephant Camp, Handcraft Industories
Chiang Mai to Bangkok

3 March 2015

Thammasat University: Research Presentations and Disucssion with Thammasat Students

Presentation Contents:

By Mr. KOICHI IMURA

“Study on the safety and comfort of electric two-wheeled mobility”

By Mr. KAITO SATO

“Effects of high frequency components of ground motion on kinematic response of pile foundation”

By Mr. MURANO KOHKI

“Study on Degradations of Cementitious materials Subjected to Initial High Temperature”

By Mr. TAKUYA NIWA

“An application of the route optimization model considering the accessibility to the bus stop”

4 March 2015

Field Survey: Preservation of Historical Heritage at Ayutthaya (working with Prof. Watanabe & Assistant Prof. Tachibana)

5 March 2015

Technical Survey: Public Transportation in Bangkok
Bangkok to Haneda

< Photographs >

Cultural Visit: Border areas among Thailand, Myammer, and Laos

Field Survey in damage area due to 2014 Mae Lao Earthquake in Chiang Rai

Field Survey in damaged area due to 2014 Mae Lao Earthquake in Chiang Rai (Rockfill Dam)

Field Survey: Wiang Kum Kam in Chiang Mai

Tourist Industries in Chiang Mai

Photo in front of Faculty of Engineering

Student Exchange Presentations and discussions among SU and TU Students

Field Survey at Ayutthaya with Research Team

Technical Survey at Construction Site of MRT
